

ARENA RULES BATHING & GROOMING CONTEST

Exhibitors will bring all of their own supplies for this contest, including wash buckets.

Step 1. Put the bird in designated holding cage.

Step 2. Set up your designated table with your grooming box and prepared washtubs.

Step 3. Once your table is set up and ready to judge place appropriate “Ready” sign on front of table. Stand behind the table quietly and do not speak with the judges unless you are asked specific questions.

Step 4. When table judging is completed the judge will ask you to go stand in front of your bird in the holding area.

Step 5. The judge will announce that bathing may begin; you will quietly bring your bird to the table and begin the bathing and grooming procedure. You will have one (1) hour for this part of the contest.

Step 6. When you are finished with bathing and grooming you will place your bird in his original holding cage. When the bird is in the holding cage the judge will then check the bird as the finished product while you are doing step 7.

Step 7. You will proceed to your table and thoroughly clean the area of your contest items then you may return and stand in front of your bird.

Step 8. You will be released by the judge as a group to return your bird to the showroom.
